The petition to revive under 37 CFR 1.137(b) filed 24 September 2004 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that the "entire delay in filing the required reply from due date for the required reply until the filing of a grantable petition was unintentional" meets the requirements of 37 CFR 1.137(b)(3).

A review of the application file reveals that the basic national fee of \$920 has been provided. The required petition fee of \$1330 was also paid. Thus, the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

This application is being forwarded to the United States Designated/Elected Office for further processing including issuance of the Notification of Missing Requirements indicating that an oath or declaration, in compliance with 37 CFR 1.497(a) & (b), and the \$130 surcharge for filing the oath or declaration after the thirty month period is required.
